

The Honourable Robert R. McLeod  
Meeting with Outside Parties  
January, 2014 – February, 2015

The Government of the Northwest Territories (GNWT) is committed to openness and transparency in conducting its business on behalf of the people of the Northwest Territories. In support of this commitment, the GNWT is publishing a list of all meetings between Premier Bob McLeod and external parties, including his participation at intergovernmental meetings and conferences, as well as public events.

The list does not include information on meetings between the Premier and other Ministers or Members of the Legislative Assembly, meetings with GNWT staff or meetings with constituents on constituency business.

Beginning April 1, 2015, information on the Premier's external meetings will be published on a quarterly basis to promote continued transparency.
